

About me

My name is **Kate Lawlor** and I'm a 2nd Irish and Irish Folklore student. I am running for the position of **Oifigeach na Gaeilge** in the SU this year, due to my life-long love for the Irish language and all aspects of Irish culture.

I have always been involved in all aspects of Irish as an avid Traditional Irish musician and member of my local GAA club, while being engrossed in our native language throughout my schooling.

I have experience living in Teach na Gaeilge and as a current committee member of the Cumann Gaelach, and as such I am an active member of the community of Gaeilgeoirs on campus

Is mise **Kate Lawlor**, is dalta na Gaeilge agus Béaloideas Éireannach mé. Táim in iomaíocht d'**Oifigeach na Gaeilge** in Aontas na Mac Léinn i mbliana, de bharr mo ghrá don Ghaeilge agus uile gné de chultúr na hÉireann

Tá an-bhaint agam leis an ceol traidisiúnta agus mo chlub CLG áitiúil le blianta fada, agus bhíos an-tógtha leis ár dteanga dhúchais le linn mo chuid scolaíocht.

Tá taithí agam mar cuid d'fhoireann Teach na Gaeilge agus is ball mé de choiste an Chumann Gaelach, mar sin is ball gníomhach mé den phobal Gaelach ar champas.

Vote Kate Lawlor Oifigeach na Gaeilge

Irish Language Officer

Manifesto

What I plan to do as Oifigeach
na Gaeilge

Signage

Increase the visibility of Irish on Campus
Strive to introduce bilingual signs in all
campus buildings
Ensure that all translations to be posted
on campus are correct

Cúpla Focal

Encourage campus restaurants such as Pi
and Bluebird to provide menu's as Gaeilge
Encourage campus restaurants to introduce
a 'Cúpla Focal' scheme whereby students
would be able to order in Irish and possibly
gain a small discount from doing so

Social Media

Have all UCDSU social media
communications in both English and
Irish
Encourage use of Irish on posters for SU
events or Irish versions of posters

Oifigeach Ián- aimsirthe

Continue the work of current Oifigeach na
Gaeilge, Aoibhinn Brentnall, in campaigning
for the instatement of a full-time Irish
language officer

This would massively benefit the
development of Irish as a working language
in UCD

Imeachtaí dátheangach

Organise more bilingual events on
campus; Introduce Irish into already
occurring SU events

Cultural Events

Organise events with less of an emphasis
on Irish and more on the culture to
encourage a stronger sense of heritage
and encourage people to engage with Irish
in a more accessible and inclusive way

Website

Make the SU website available in Irish
