

About me

Hi! I'm Miranda and I'm running to be your next **Students' Union President**. I'm a **UCD Modern Languages** graduate and I was born in **Argentina**.

Why should I lead UCDSU?

I want a Union that works for **all aspects of student life**, and for that, **we need a President that has experience in leading a team**.

This year, I **led out on multiple initiatives** in events, welfare and education, which shows my **dedication to every aspect of the Union** and experience in **supporting others** in their roles.

My Experience

I organised actions in support of **Palestine**, **Disability Rights**, **LGBTQ+ Rights**, **International Students** and to combat the **Cost of Living Crisis**.

As President, I will continue to be a strong voice for students and expand on this work.

- **Campaigns & Engagement Officer**
- **Member of SU Constitutional Review Group**
- **Diversity and Inclusion Campaigns Coordinator**
- **Arts, Humanities and Social Sciences College Officer**
