Who is this guy?

Hello! My name is Stephen Mullen, candidate for the College Officer position in the school of Architecture and Planning. I am currently the Class Rep. for Stage 1 City Planning and Environmental Policy. I love good urban design, public transport and a good pint of Orchard Thieves.

Right now, Richview and Newstead are small, neglected, and isolated from campus;

I can help us.

Your choice can make a real difference in pressing for our slice of the pie, as a newly separated district.

Use your democratic right to vote for one of the one who paved the way for our independence, and will continue to fight on behalf of everyone.

Why should I vote for him?
